

## **Tech4Oceans: Innovative Solutions for a Sustainable Future**

The U.S. Consulate General Chennai has announced the upcoming TechCamp “Tech4Oceans: Innovative Solutions for a Sustainable Future,” May 19-21 in Kochi, Kerala, in partnership with Centre for Public Policy Research (CPPR) which will receive participants from across India to this first-ever Tech Camp on ocean issues.

Cadet Shubham Thakur, Indian Maritime University, MPC, Final Year B.Tech ME has been selected for the Tech Camp at Kochi from 19 to 21 May 22.

We at IMU congratulate him on his selection and best wishes for his new learnings.

**Cadet Shubham Thakur, B.Tech (M.E.) 4th Year**
